From the Acting Principal

Life Education Van at Rand PS
Last Monday 17th February Walbundrie Public School students travelled to Rand PS for the Life Education Van. All students had a fantastic day, enjoying a session in the Life Ed Van, a session of outside games and sport with Mrs Mills, and a session in the classroom with Mrs Rose and Mrs Southam. It was also a great opportunity for our students to socialise with some other students their own age.

Responsible Pet Ownership-
Helen Bishop and her dog Milo came to visit us at Walbundrie last Tuesday. Helen gave all our students some important advice on how to approach strange dogs. She also gave us some tips on how to avoid being bitten when in a threatening situation with a vicious dog. The students and staff were very impressed with how well-behaved Milo was, and a few students were lucky enough to give Milo a pat at the end of the session!

Southern Riverina PSSA Swimming Carnival
Congratulations to Yasmin Lieschke, Harry Seidel, Jake Thomas and Hayden Wardius who represented not only Walbundrie Public School, but our Small Schools Network at the Southern Riverina PSSA Swimming Carnival last Friday. There were some fantastic results from our students on the day and we are very proud of their achievements. Thankyou to those parents and grandparents who transported students and provided supervision on the day—much appreciated!

Wirrawinna Environmental Education Centre
From its beginning in 1995, Wirrawinna has developed into an environmental education centre that provides opportunities for discovery and learning about the natural environment, the ecology of the local woodlands and the beauty of native plants.

Wirrawinna is a popular outing for clubs and organisations in the district as well as a popular destination for local schools and students. Extensive signage throughout provides information on landcare, native plants, wetlands and wildlife habitat.
