From the Principal

Howman’s Gap Year 5 & 6 Camp
The Howman’s Gap Year 5 and 6 camp was an extraordinary experience for all the students involved. All students were made to push their personal limits and were taken outside their comfort zone. The most satisfying part of the camp was the continued support and encouragement shown by all the students. It is always a pleasure to work with staff and students from our combined network of schools and it was fantastic to see so many new friendships formed on the camp. I am sure all the people involved in the camp had a fantastic time, I know I did.

Creative Catchment Kids
Just a reminder that the Creative Catchment Kids book launch is approaching. The book launch date has been set for Friday the 20th of November at Wirrmamnna Environmental Education Centre from 12.30pm to 2.30pm.

Kindergarten Orientation
The Kindergarten Orientation program has started and the students for 2016 have been warmly welcomed into our school. The program is entering its final 2 weeks and it will be sad to not have them as part of our school until 2016, although I am sure they have all enjoyed their time here. The older students have embraced the added responsibility of working with the younger students and it has been a great experience for them as well.

Year 6 Personal Development Day
The Year 6 students are engaging in a Personal Development program at Burrumbuttock. The girls had their day earlier in the week, with the boys having their day early next week. The program teaches valuable personal development knowledge as the students enter their teenage years.

Basketball Program
The schools basketball program is coming to an end. I would like to thank Phillip for his outstanding work with all the students.

A reminder that Zooper Doopers will be on sale for 50c each starting on Friday. All money goes to the SRC.

Regards,  Sean Scott
