From the Principal

Multicultural Day
The students at Walbundrie Public School had a great time at the Multicultural Day held in Brocklesby. The day started with an traditional oral story telling and then the students learnt about the lifestyle of the presenter growing up in Ghana. This provoked many thoughts and discussion. Especially when the students learnt that rain meant no School in the jungle!!!! The day continued with a range of arts and crafts that focussed on the region, along with traditional sports and games.

Gymnastics
The gymnastics program started last week and continues for the next 3 weeks. The feedback from the students was extremely positive and it was great fun watching them practice the skills. I look forward to watching the skills continue to develop and improve over the upcoming weeks.

Grip Leadership Conference
The Year 6 students attended the Grip Leadership Conference at the Commercial Club in Albury yesterday. It was a high energy, engaging experience for the students and was designed to strengthen their leadership capabilities. Over 250 students from NSW and Victoria attended the conference and there was lots of student interaction.

Paul Kelly Cup & PSSA Netball Knockout
Last Friday students from the Small Schools Network participated in the Paul Kelly Cup in Albury. It was a fun and action packed day, with the students playing 4 games throughout the day. They managed to go undefeated on the day, but most importantly played with exceptional sportsmanship and teamwork. Good luck to the PSSA Netball team, which plays this Friday.

P&C Pie Drive
Just a reminder that the P&C pie drive is underway. Make sure you get your orders in!!!!

Regards, Sean Scott
